Subject: Monthly Financial Report

Attached is the Fiscal Year 2011-2012, monthly financial report for the month of April in accordance with Charter Chapter VIII, Sec. 5 (a) (1) (iii). The report provides budgetary information from the MUNIS financial management system as of the month end.

Generally accepted accounting principles for municipalities do not provide for the systematic apportionment or allocations of revenues and expenditures to monthly accounting periods. Accordingly, the amounts reflected in the City's financial management system reflect the postings to various accounts in the accounting period that represents the recording period of a transaction – not necessarily the period that revenues are earned or expenditures are incurred.

Additionally, in accordance with your request, attached are other system generated reports and information to assist in the analysis and understanding of the financial data.

The Finance Department would be happy to respond to any questions that you may have regarding the report.

CC: Pedro E. Segarra, Mayor
David B. Panagore, Chief Operating Officer
