CARLOS A. RIVERA
Director

The Health and Human Services Health Van is rolling out daily into Hartford's community neighborhoods. We are expanding our services to Hartford residents by promoting health screening and wellness. The Health Van staff provides health education, as well as bilingual counseling and referral services. You will see the Health Van at local health fairs and on different streets as we travel around the city of Hartford. Look for advanced notice of the sites we will be going to posted on our monthly calendar.

The Health Van operates through our:

1. HIV Prevention Program
2. Ryan White Program
3. Area Health Education Center (AHEC)
4. Disease Prevention and Health Promotion Division

We offer health screening, which include:

- Blood Pressure checks
- Blood Sugar checks
- Urine checks for Gonorrhea and Chlamydia
- HIV testing

For any questions or information regarding arranging to have the Health Van come to your event or function, please contact Carol Steinke RN BSN at Steic001@hartford.gov or at (860) 547-1426 Ext 7011.

Health Van operation is seasonal, starting in the spring and going until the autumn.
