Dear Hartford Business Owner:

I am pleased to welcome RecycleBank to Hartford. RecycleBank is a company that will be working with Hartford Department of Public Works to improve recycling in 5,000 households over the next year.

Free large recycling carts will be given to residents to collect all their bottles, cans, cardboard, newspaper, magazines, etc. The cart will be weighed and each home will be able to earn RecycleBank points they can use to buy goods in local participating businesses. The more a resident recycles, the more rewards he/she earns, the greater their purchasing power!

A RecycleBank representative will visit you soon to explain how your business can benefit from becoming a partner in this "recycling with rewards" pilot program.

If you have any questions, feel free to call RecycleBank at 1-888-727-2978.

Sincerely,

A large, stylized handwritten signature in black ink, appearing to be "E. Perez", is written over the typed name.
