

EDDIE A. PEREZ
MAYOR

Dear Hartford Friend and Resident,

It is my pleasure to inform you that you have been selected to participate in a new recycling program known as RecycleBank. What makes this program special is that the more you recycle the more points your family earns to spend at businesses in the Hartford area.

Your household will be given a **free recycling cart**. It will be delivered to your address the week of **May 12, 2008**. All the recyclables listed below may be put into the cart directly.

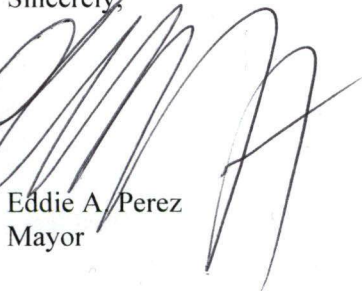

City's collectors will weigh your recycling cart at the curb on your regular trash day. Your household will be able to open a RecycleBank account and begin getting coupons to use at local businesses.

It's that easy! Recycling with rewards---for the environment and for you as a consumer.

"Go Green Use Blue" is the slogan that simply means be good to our environment ("being green") by recycling the appropriate items in the blue bins. This will help our city improve its recycling efforts and keep our city clean.

You will be getting more information regarding the RecycleBank program in the near future. I hope you will sign up for this program in May. You may also go to the city's website for more information at www.hartford.gov or **call 311**.

Sincerely,

Eddie A. Perez
Mayor

Recycle:

Glass bottles, metal cans, plastics 1 & 2, corrugated cardboard boxes, cereal boxes, junk mail, mixed paper, newspaper, magazines, milk & juice cartons.
