

Park St and Francis Ave

2015 CRCOG Bike/Ped Count & Active Transportation Audit

The CRCOG Active Transportation Audit was developed to determine the walkability and bikability of the Capitol Region.

Scores and Counts

Audit Scores

Counts

151 people total

139 people walking

12 people cycling

65 women

86 men

Time of Day: Weekday (7-9AM)

Observations & Analysis

Scores in most categories increased significantly

Improved audit results may lead to increased bike usage in the future

Land use is still not as conducive to biking and walking as it could be
