

**Required Attachment B: Membership of the Resident Advisory Board or Boards**

Members of the Resident Advisory Board or Boards: The Resident Advisory Board (RAB) was originally developed using the following method. Participants are mailed an invitation to make comments or recommendations on the draft Five-Year and/or Annual Plan and to also consider serving on the resident advisory board. A notice was also posted in the main lobby of the contract administrator office to advertise that opportunity to review and comment on the Five-Year and/or Annual Plan.

RAB has had meetings and each year a mailing is conducted by the PHA to solicit interest in reviewing the Five-Year and/or Annual Plans. This year's mailing included the Annual Plans, a survey response form, a self-addressed stamp envelope and a cover letter. The mailing invites program participants to serve or to continue to serve on the resident advisory board and/or make comments or recommendations on the draft Five-Year and/or Annual Plan.

In addition, each year we advertise this public notice in the following newspapers, as well as, post on the City of Hartford website and have available at the Hartford Public Library:

The comments that are received will be collected prior to the public hearing and added to the comments already provided. This effort is undertaken to further increase client participation in the review process of the Five-Year and/or Annual Plan.

The comments that were received in response to the public notice, the public hearing or through the direct mailing include the following:

Comments received through Hartford Organizing for Power and Equality (HOPE):

1. We would like for the public hearing to be at time that more people would be able to attend such as morning and evening.
2. We would like for you to send a notice to everyone who has your Section 8 voucher and who is on the waiting list about the plan so people who are affected would have an opportunity to speak.
3. Who is the Resident Advisory Board for the City and Imagineers?
4. If SEVRA II passes, will you be willing to make repairs with the voucher money if an owner has not made it so that tenants will not be displaced?

Comment received through direct mailing:

The following recommendations: Assist more people with low-income and people displaced from fire.

In response to the comments received, the City of Hartford has committed to expanding the notification process and to schedule the public hearing later in the evening. In response to the questions on the proposed SEVRA II legislation, the City of Hartford is committed to utilizing the full menu of options available to successfully handle landlords who do not make repairs and which negatively impact Section 8 tenants. When the final version of SEVRA has passed Congress and regulations are promulgated by HUD on making repairs with voucher money, the City of Hartford will be in a position to effectively develop administrative policy.
