Public Works

Mission Statement:

The mission of Public Works is to create a safe and healthy environment through the implementation of infrastructure maintenance and enhancements of parks, roadways, traffic systems, municipal buildings, vehicles/equipment, flood control systems and the collection of solid waste and recyclables.

Significant Features:

The Recommended Budget for FY2016 is \$13,187,907. This reflects an increase of \$228,843 or 1.8% compared to the Adopted Budget for FY2015. The net increase is the result of contractual salary increases offset by various lower non-personnel expenditures.

Strategic Plan Initiatives:

- Enhance the delivery of parks maintenance, repair, and security to safely support the positive use of park and cemetery facilities for recreation, events, and casual use.
- Implement and maintain infrastructure improvements for parks, roadways, traffic control systems, municipal buildings, and flood control systems to protect the safety and quality of life of constituents.
- Deliver efficient services for the collection of solid waste and recyclables; and manage energy use to provide value and protect the environment.
