## **MAYOR TOURS FORMER SUBSTATION TO GET IDEAS TO MAXIMIZE USEFULNESS**

### **---NEWS AND COMMUNITY STATEMENT---**

(April 12, 2011) --- Today, Hartford Mayor Pedro E. Segarra toured the former Albany Avenue Substation with Police Chief Daryl K. Roberts, Sgt. Karla Rodriguez of PAL, Yasha Escalera of the City's Housing Division, and Thomas Clarke II of the Mayor's Constituent Services Division to assess the facility and see how it can be of better use to the surrounding community. After the tour, the Mayor issued this statement:

"I have heard calls from the community that something needs to be done and it needs to be done quickly. While I'm thinking about what could be here, I urge residents to share their observations, suggestions, and recommendations as to how this space or parcel could best be utilized to best meet the needs of the community and neighborhood."

Share those ideas by calling the Mayor's Office at (860) 757-9500 or email [311@hartford.gov](mailto:311@hartford.gov).
