"Hartford is truly the winner in all of this. I am honored and humbled by this recognition, but I will not rest because there is still much more work to be done to improve the quality of life in our great city," said Mayor Segarra. "My focus right now is on creating jobs, making our city safe, educating our children, cleaning-up and sustaining our historic parks, and leveraging our artistic and cultural assets as economic drivers for the city, region, and state. Hartford truly has a renewed spirit and I'm grateful to have the opportunity to be an advocate for the positive change this city deserves."
