SPRING LEAF COLLECTION FOR PAPER LEAF BAGS ONLY

The City of Hartford, Department of Public Works will provide residents with curbside collection service for biodegradable leaf bags only starting Monday, April 11, 2011 and ending Saturday, April 23, 2011.

Residents who wish to dispose of leaves **must put them in biodegradable leaf bags** and place the leaf bags at the curb on their weekly assigned waste collection day. As you are aware, the leaves cannot go into your trash containers as State law requires that leaves must be collected separately for recycling.

You may also drop-off your bagged leaves at our Transfer Station by obtaining a Free Recycling Permit. Permits may be obtained at 40 Jennings Road, Monday through Friday from 8:00 a.m. to 12:00 noon. The hours of operation for the Transfer Station are Tuesday through Saturday 9:00 a.m. to 3:00 p.m.

Spring is here and the city is asking residents and businesses to do their part to “Keep Hartford Clean, Green and Beautiful.” Please keep your properties clean, attractive, and in compliance with our city codes and ordinances. Clean your sidewalks and yards of litter and debris.

Please remember to place your trash and recyclables at the curb no earlier than 4:00 p.m. on the day before collection and no later than 7:00 a.m. on the day of collection. Remember to put only household trash into the city issued rollout trash carts, and to place all eligible recycling materials, (paper, cans, cardboard, boxboard, magazines, glass, and plastics #1 - #7) into the Blue Single Stream Recycling Carts. For every pound of properly recyclable material that we recycle, that's a pound of material we don't have to pay tipping fees. It saves resources and it saves money! Always make sure to keep both carts lids closed at all times.
