## CITY OF HARTFORD RECEIVES OUTSTANDING EVALUATION FOR LEAD HAZARD CONTROL

### **NEWS AND COMMUNITY STATEMENT**

(August 23, 2011)--- Today Hartford Mayor Pedro E. Segarra congratulated Acting Health and Human Services Director Raul Pino and his entire HHS staff for receiving a 100 out of 100, or *Green* designation, for its lead hazard control work. This means the program meets or exceeds the primary benchmarks and is in fact ahead of schedule according to the U.S. Department of Housing and Urban Development (HUD) Office of Healthy Homes and Lead Hazard Control assessment.

“This is outstanding news for the health and safety of our families. I want to personally congratulate Raul and his team for achieving this outstanding result and continuing to promote a Healthy Hartford,” said Mayor Segarra.

Raul Pino added, “This is truly a major accomplishment. In the past, the City has received the *Yellow* designation and moving to a *Green* designation is rewarding for not only the department, but the community as a whole. This is a direct result of the great work our staff is doing.”
