### **STATEMENT REGARDING FUNDING FOR GOODWIN PARK**

(December 2, 2010)---

"I first want to thank the Governor and State Senator Fonfara for their commitment to Hartford's historic park system. The Bond Commission is expected to approve this \$125,000 investment for a perimeter fence at Goodwin Park and this will only add to the accomplishments and efforts that the City has made to restoring the beauty and upkeep of these treasures. Goodwin Park provides positive activities for youth and adults and strengthens our regional relationships as well," said Mayor Pedro E. Segarra.
