PAYING RESPECTS TO A VETERAN CITY EMPLOYEE

---NEWS AND COMMUNITY STATEMENT---

(December 9, 2010) --- Hartford Mayor Pedro Segarra has issued this statement as Hartford mourns the loss of Alice Seay Jenkins. The Deputy Republican Registrar of Voters and a 26-year employee at City Hall passed away earlier this week:

“I first met Alice in 1991 when I was City Corporation Counsel. She exemplified true professionalism and served the residents of this great city so well. I am deeply saddened for her family, as her passing comes just a few weeks before her retirement, when she was going to spend more time with them. Here at City Hall, we are grateful for all the time and dedication she gave to us.”

Arrangements are as follows:

Tuesday, December 14th at 10AM, followed by service at 11AM at Henry L. Fuqua Funeral Service, 94 Granby Street in Bloomfield
