CITY OF HARTFORD ISSUES STATEMENT REGARDING TUBERCULOSIS CASE

--- NEWS AND COMMUNITY STATEMENT---

(February 4, 2012) --- In mid-December, the State Department of Public Health notified the City of Hartford Department of Health and Human Services of an active case of tuberculosis in the City's jurisdiction. In accordance with established protocols and procedures, the Department of Health and Human Services initiated a disease investigation, which continues to this day. As part of that process all known contacts were notified by the City of Hartford Health and Human Services personnel to ensure that the public was protected and to offer the necessary resources to the individuals involved. In order to protect the integrity of the investigation and the privacy of those involved, no further comments on this case will be issued at this time.
