PUBLIC AUDIT

Pursuant to Public Act 07-194, mandatory post-election hand count audits are to be conducted by Registrars of Voters in ten percent (10%) of the voting districts randomly selected to participate. The two selected voting districts are #6 Liberty Christian Center and #23 Fred D. Wish School. These audits shall be open to public inspection.

The primary purpose of the hand count audit is to assess how well the optical scan voting machines functioned in an actual election and to ensure that votes cast using these machines are counted properly and accurately.

The City of Hartford Registrars of Voters (Democrats) will hold a public audit on Thursday April 1, 20-10 at **9:30 a.m. in the Council Chambers located on the second floor, 550 Main Street, Hartford (City Hall)**. Please contact the Office of the Democratic Registrar of Voters at (860) 757-9839 or (860) 757-9836 if there are any questions.
