**IT'S 'FREEBIE DAY' AT HARTFORD PARKING AUTHORITY'S MORGAN STREET GARAGE
ON MARCH 12th**

HARTFORD – The Hartford Parking Authority (HPA) is sponsoring a Park ‘n Paddy promotion on Saturday March 12th. Parade goers can park for FREE, all day, at the Morgan Street Garage in downtown Hartford. Upon entry, parking patrons will also receive a dining voucher good for 20% off at participating restaurants on St. Patrick’s Day --- March 17th.

This is the HPA’s third Freebie Day, which is designed to support Downtown Hartford businesses and activities and add to the vibrancy of Downtown. “The Morgan Street Garage is perfectly situated for Saturday’s parade and the dining voucher is an extra benefit to encourage another visit to Hartford,” said Mark K. McGovern, Chief Executive Officer of the HPA.

The HPA is responsible for creating, establishing, maintaining, and operating the City's dedicated parking facilities. For more information about Freebie Days, a list of participating restaurants and current parking incentive programs, contact the HPA at 860.527.7275 or visit www.hartfordparking.com.
