ANNUAL CANVASS OF VOTERS MOVES TO NEXT PHASE

The Registrars of Voters, in Hartford, completed the Door to Door phase of the Annual Canvass on schedule on Wednesday April 27, 2011. The Department extends its gratitude to all of the many citizens who contributed to the success of the activity. This year, canvass workers visited 3,901 voters whose Notice of Canvass cards were returned undeliverable by the U.S. postal service. Through their diligence and hard work, they were able to reach 19% of those voters, which represents an improvement of 7% over the results last year.

The next phase of the canvass is the Notice of Confirmation of Voting Residence (CVR), which was mailed to voters by May 1, 2011. It is critical that voters who receive this form in the mail fill it out and return it to the Office of the Registrars by May 31, 2011 in order to maintain their status on the Official Enrollment List. By this date, the Registrars of Voters must prepare inactive registry and enrollment lists of any persons whose notice of approval of mail-in was returned undeliverable and who did not respond to a Confirmation of Voting Residence. Further, the Registrars must remove all voters from the inactive registry when they have been on the inactive registry for four years.

Remember, voting is the most basic right and responsibility of all citizens. Protect your right by participating in the Annual Canvass of Voters! If you have any questions, contact the City of Hartford Registrars of Voters at (860) 757-9830.
