## **ENERGY SAVING LIGHT SALE: BE PART OF THE SOLUTION!**

### **---NEWS AND COMMUNITY ADVISORY---**

The City of Hartford Department of Health and Human Services encourages Hartford residents to save money and energy, one light — one energy-saving step — at a time.

On Wednesday October 6, 2010, Energy Star lighting products will be available for sale at the North End Farmer's Market from 10:00 AM to 1:00 PM. TechniArt Inc. will sell energy efficient light bulbs, fixtures, LED holiday lights and other lighting items at discounted prices made possible by the Connecticut Energy Efficiency Fund and Connecticut Light & Power. This is everyone's chance to Save Money, Save Energy and Help Protect the Environment!

“We can contribute to a Healthy Hartford in many ways, including by protecting the environment. Don't miss this opportunity to do your part,” said Carlos Rivera, Director.

Please stop by on Wednesday October 6, 2010 at 80 Coventry Street. Help us turn Hartford into the energy efficient capital city.
