FIREHOUSE RENOVATIONS START MONDAY

---NEWS AND COMMUNITY ADVISORY---

(July 31, 2009)--- The City of Hartford and the Hartford Fire Department will begin Phase III of its Firehouse Renovation efforts on Monday, August 3, 2009. Company 14/ Ladder Co.4, located at 25 Blue Hills Avenue, will undergo extensive renovations which include replacing the roof, HVAC, electrical upgrades, and improvements to living quarters, kitchen and offices. Also, a new apparatus system that captures and dispels carbon monoxide to the exterior of the house when companies respond to calls will be installed. This renovation will create a safer and more user friendly work environment for the firefighters allowing them to perform their job duties better. This project will cost approximately \$650,000 and is already budgeted as part of the City's Capital Improvement Program. Renovations start on August 3rd and are slated to be completed on October 30th.
