

Calendar Scheduling and Bid Information Transmittal Form

February, 2008

Calendar Scheduling for Construction solicitations

In order to properly manage your purchase it needs to be scheduled on the Procurement Calendar. If it isn't already scheduled please use this form to propose a date. This should be done as soon as you are aware that the project is viable.

Note: *The date an item is scheduled on the Procurement Calendar is the date on which Procurement Services starts to work on a project. Actual bid issue dates may be days or weeks later depending on the availability, quality and format of the information needed to prepare documents.*

Bid Information Transmittal

To expedite the solicitation and contracting process Procurement Services will need to receive your requirements electronically (Word document etc.). To assist in this process we have prepared the attached template for your use which is located at <http://www.hartford.gov/purchasing/Policy.htm>. Please follow the format provided when preparing specifications to be used in competitive bidding or proposals. **As some text may change from time to time it is best to download new templates each time you want to prepare/submit a specification.**

Your contribution in preparing this RFR (Request for Response) document will be to:

- Provide a brief description of what is needed in the Invitation. Procurement Staff will use this as the first sentence in the Invitation;
- Update the Project Summary Sheet – For cost, provide a range of +/- 15% from the construction estimate.
- Update the Table of Contents - Section 2 and any attachments such as drawings;
- Identify any items/quantities/units/alternates to be priced. Procurement Staff will use this in Section 1.1 to create response line items;
- Provide Section 2, - Specifications;
- Drawings & other attachments.

Use our standard font - Ariel 11 pt. and maintain the integrity of the page footers (Page #, Section #).

All City RFR's contain the following sections:

Invitation to Respond

Section 1 – Response Forms

Section 2 – Project Specifications

Section 3 - General Information for Preparation and Delivery of a Response

Section 4 – Contract Terms and Conditions

A "zip" file containing these instructions, the Solicitation Request Form, all RFR sections is available for download at: <http://www.hartford.gov/purchasing/Policy.htm>. Section 3 & 4 is provided for your information but is not to be modified directly (if you need a revision, please send it to us separately).
